SUMMARY

I'm a UX Designer who thrives in fast paced environments where I can leverage design thinking and user research to craft innovative solutions. I bring with me expertise on UX Design best practices, experience collecting user data, and ability to lead small and large group design sessions. As a former Band Director, my strengths are leading teams with clear objectives as well as utilizing my design process to create actionable plans that lead to success.

TECHNICAL SKILLS

Software/Platforms: Figma, Articulate360, Adobe Photoshop, Google Suite

Software Languages: HTML, CSS, JS, Bootstrap

PROJECTS

"Groupie" Case Study |

Groupie Case Study

- Through user research and shortened feedback loops, I developed an app that allows users to search and join groups and events based on similar interests.
- My role: UX Designer, User Researcher
- Tools used: Figma, Google Suite

Game Plan Genie Mobile Travel Case Study |

Game Plan Genie - Mobile Travel App Case Study .pptx

- Using User Research, I developed a mobile travel app to create better itineraries that are sharable and editable amongst groups.
- My role: UX Designer, User Researcher
- Tools used: Figma, Google Suite

RELEVANT EXPERIENCE

Head Band Director

2023 – 2024

San Antonio Independent School District

San Antonio, Texas

Managed the Fine Arts Band Program at Burbank High School. Developed curriculum to be taught during school. Met regularly with the Administration to coordinate events.

Key Accomplishments:

- Organized Community Events, volunteers, and vendors on a large scale
- Lead a team by navigating and developing curriculum both in-person and virtual

ADDITIONAL EXPERIENCE

Assistant Band Director

2021-2023

North East Independent School District

San Antonio, Texas

Managed the Marching Band and Orchestra programs. Oversaw budgets and curriculum development, and developed day-to-day procedures.

Key Accomplishments:

- Helped to Organize 2 cross country trips with large groups, including fundraising
- Gave Professional Development sessions on Building Culture
